QUESTIONS

1. Why are you interested in this particular training? (please select from the list below)

I currently implement prevention activities with men and women in post-conflict communities and I want to gain skills and knowledge in a new approach

I want to begin engaging men in GBV prevention in the setting that I work

I want to provide my staff with skills and knowledge in engaging men in GBV prevention in post-conflict settings

My organization provides funding for NGOs in post-conflict settings and is looking for innovative prevention models

Other:

2. Please describe the key responsibilities of the position you hold within your organization.

3. What kind of prevention and/or response services does your organization currently provide in humanitarian settings?

B. Are these activities currently taking place in the setting in which you work?

Yes

No

C. How have you been involved in these activities?

D. How have you mobilized the community towards your GBV response and prevention activities (this is not limited to what you have done in your current role)?

4. Have you participated in any training opportunities focused on gender or aspects of GBV prevention? If so, please specify.

5. Have you participated in any training opportunities focused on engaging men and boys? If so, please specify.

6. Are you willing to develop an action plan for introducing the EMAP approach to your programs/organization and engage with IRC trainers in follow up discussions following the training?

7. Are you willing to produce a follow-up report to your action plan?

ORGANIZATIONAL COMMITMENT

1. Please provide the name and email address of your supervisor.

2. Has your supervisor expressed her/his commitment to your participation in this training and the subsequent follow up within your organization?

3. Is your supervisor aware that if you are accepted we will require an email from him/her giving you permission to implement the action plan developed during the training?

ATTENTION: All applications and CVs must be received by **November 26, 2014**. Please email your application and CV to:
